SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, June 15th, there being present Wm. H. Brown presiding, Jas. T. Casey, John MacBain, Jos. M. Francis and D. E. Blackburn.

The minutes of the meetings held June 1st and 8th were read and approved.

M. F. Brown, chief of the motorcycle squad, reported as follows for the half month ending June 15th:

Officer Lowans worked fourteen days, no arrests.

Officer Logan worked fourteen days, no arrests.

Officer Vallejo worked twelve days, no arrests.

Officer Brown worked fourteen days, one arrest, case pending.

The following bids were opened for constructing the Bay Shore road from South San Francisco to the San Francisco county line.

Clark and Henery—Specifications 1, $77,630.10; specifications 2, $74,309.91; specifications 3, $69,329.62.

Blanchard and Brown—Specifications 1, $88,374.67; specifications 3, $84,224.43.

The bids were submitted to the Advisory Board for inspection, to be reported upon later.

The following bids were opened for grading the county road from Tunitas Glen to San Fregorio:.

P. H. McEvoy, $32,890.
H. L. Peterson, $57,475.60.
Hess & Benson, $62,767.36.
L. L. Page, $40,886.65.
James Willison, $39,193.15.

Those bids were also submitted to the Advisory Board to be reported upon later.

The following bids were received for constructing a concrete bridge across the Alembique creek at Woodside:

Harry B. Morey, $1882.
F. Murrer, $1930.
A. Mattson, $1938.
Barrett & Hilp, $2238.
Matthew Company, $2370.
M. A. Grant, $2070.
Kauffman Construction Company, $2296.

On motion of MacBain, seconded by Casey, the contract was awarded to Morey, he being the lowest bidder.

A communication was received from Clark and Henery asking an extension of thirty days on their road contract within the city limits if San Mateo. It was ordered, on motion of MacBain, seconded by Casey, that the extension be granted.

A communication was received from the Board of Trustees of Daly City, calling attention to the fact that a map of the Metropolis Homestead tract was recently filed for record, the streets of which running north and south, do not correspond with the streets of Daly City, although the tract mentioned adjoins that city.

A communication from the Civic Betterment League of Daly City was also read commenting on the same subject.

H. H. Smith of Daly City addressed the board on the matter, fully explaining the disadvantage of the street arrangement of the tract and that of other tracts in the neighborhood, after which the real estate men interested in that vicinity held a conference and reported to the board that the objectionable features of their several tracts would be remedied to the satisfaction of the Daly City people.

Florence Kilmann, the mother of one half-orphan child, and Helen O'Connor, the mother of three half-orphans, both of the First township, were recommended for State Aid on motion of Casey, seconded by MacBain.

A communication was received from the City Council of Gilroy, inviting the board to attend a "Pageant of Progress" on the 27th instant in honor of the paving of the main street of that city. The communication was filed.

Health Officer Beattie reported having issued during May 635 burial permits and five disinterment permits for which he had received $647.50, which amount had been paid into the county treasury. The health of the county is good. Several nuisances have been attended to.

A communication was received from the Kauffman Construction Company of Oakland, notifying the board of the dissolution of that corporation and the purchase of its interests by V. M. Price.

Public Administrator Plymire reported having received as personal effects of Frederick Barron, deceased, $50.60 and some jewelry which had been delivered to the wife of deceased.

District Attorney Swart presented a resolution dissolving the Visto Grande Fire District, as petitioned for by the residents of Daly City, which was adopted on motion of Casey, seconded by MacBain.

C. B. Smith of Moss Beach complained that the contractor in charge of the work of building the county road at that place was not doing the work according to the terms of an agreement made with the Moss Beach Realty Company, which company had given a portion of the right of way for the road.

County Treasurer Chamberlain appeared before the board and stated that claims aggregating $3271 were on file against the Fifth Road District, in which district there were no funds. He suggested that money be temporarily transferred to that Road fund for the liquidation of its bills and the same returned when the county receives its proportion to money paid to the state for automobile licenses, which would be in the near future.

Mrs. Martha Tuttle of San Bruno asked for assistance in paying the burial expenses of her husband. On motion of Casey, seconded by Blackburn, she was allowed $16.

A resolution authorizing the temporary transfer of $3271 from the County Highway Construction fund to the Fifth Road fund was adopted on motion of Blackburn, seconded by MacBain.

MacBain reported that he had expended $35 in clothing the children of Mrs. Michael Garcia and providing transportation for the family to Siskiyou where Garcia is located. His action was approved by the board.

MacBain presented a resolution accepting as a public road what is known as Albion avenue at Woodside which had been in use more than ten years and the same was adopted on his motion, seconded by Blackburn.

Plans and specifications for grading and paving Albion avenue with macadam were adopted on motion of MacBain, seconded by Blackburn and the Clerk directed to publish a notice calling for bids for the work.

The matter of securing a site for a new county jail was taken up. McBain reported that five sites—the Langley property, the Ford property, the Tacoma Mill Company's property, the "Old Mill" property and the Dugan lot on Broadway—had been offered. He asked that the members be permitted to vote by ballot on the several sites. Five votes were cast, each proposed site receiving one vote, and the chairman ruled that there was no choice.

It was ordered on motion of MacBain, seconded by Casey, that the selection of a jail site be indefinitely postponed.

The Advisory Committee recommended that the bid of Clark and Henery for $69,329.62 for paving the Bay Shore road and that of James Willison of $39,193.15 for grading the road from Tunitas to San Gregorio be accepted. It was explained that while P. H. McEvoy's bid for the latter contract was the lowest, McEvoy had failed to comply with the specifications by cutting out the items referring to rock excavation.

The recommendation of the committee was adopted on motion of Blackburn, seconded by MacBain, and the contracts so awarded.

It was ordered, on motion of MacBain, seconded by Casey, that the Surveyor prepare plans and specifications for paving Santa Cruz avenue from Menlo Park through Portola to the Folger place at Woodside, where the latter road connects with the road leading to La Honda.

It was ordered, on motion of Francis, seconded by Brown, that the Surveyor prepare plans and specifications for paving the San Mateo-Halfmoon Bay road.

The complaint of C. B. Smith that the grading of the road at Moss Beach was not being done according to agreement was taken up, the Surveyor explaining that the Realty Company expected the county to make the fill for sidewalks adjacent to the road.

It was ordered on motion of Blackburn, seconded by MacBain that such work be not done. Francis voted "no" on the motion.

On the invitation of Francis the members agreed to go to the coast to inspect the roads at Moss Beach and vicinity.

Adjourned to Monday, July 6th.

Miss Katherine Wolfenden has gone to Lassen county, where she will remain during the vacation.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Doctor H. G. Plymire has announced that he will again be a candidate for the office of coroner and public administrator. The doctor has held the position for the past eight years and during that time he has given general satisfaction and performed the duties of his office with credit to himself and to the taxpayers of the county. He is a man of ability and a surgeon whose skill is unsurpassed on the peninsula. Previous to becoming coroner and public administrator Dr. Plymire filled the position of healh officer of the county for four years. He maintains a large hospital at South San Francisco and is a man of affairs, being one of the most substantial men of the county. There is no doubt that he will be reelected by an increased vote, for his popularity has enhanced with years.

W. H. Underhill announces his candidacy for the office of auditor, a position he has held for the past nine years with credit to himself and the tax payers of the county. Mr. Underhill has recovered from his recent illness and is prepared to make a thorough canvass for the office. Mr. Underhill was born and raised in Redwood City, but for some years has made his home in San Mateo where he is well known and liked. His popularity is not confined to that city however, for he is known in all portions of the county. Four years ago he received the largest vote of all the candidates having opponents in the county, defeating his adversary over 1200 votes. He expects to even receive a greater majority this year for like old wine, he grows in popularity with age.

FOR EMPLOYER AND EMPLOYEE.

The Farmers' Protective League, having a large membership throughout California, has established headquarters at the Travelers Hotel, Sacramento, for the purpose of conducting a vigorous campaign against the Universal Eight-Hour Law to be voted on at the November election. Committees of one hundred—fifty men and fifty women—are organizing in each county to aid the League in its task of convincing the the voters of California that the proposed law, which would punish by fine and imprisonment an employer who permits a person to work more than eight hours a day or forty-eight hours a week, would seriously affect the agricultural interests of this state.

The directors of the League are: Frank B. McKevitt, president and Geo. H. Cutter. Sacramento; G. H. Hecke, Woodland; C. C. Teague, Santa Paula; G. C. Pierce, Davis; L. F. Graham, San Jose; Mrs. Emily Hoppin, Yolo. Messrs. McKevitt, Cutter and Hecke comprise the executive committee. Arthur Dunn is secretary and manager.

The League has declared that its membership is not opposed either to organized or unorganized labor, but rather is in sympathy with the worker, and bases its opposition to the proposed law on the premise that it is an economic impossibility to operate farms on a basis of six days of eight hours each. The League emphasizes the fact that the Universal Eight-Hour Law to which it is opposed is not now on the statute books and the present campaign has nothing whatever to do with any existing statute, such as the law regulating the hours of employment of women.

Manager Nathhorst promises some extra good programs for patrons of the Bell Theater for the coming week. For this evening the star attraction will be a continuation of the very amusing episodes of Zingo, as a part of a five reel program. Monday evening will be an extra special, with the strong emotional drama "Leah Kleschena" as the special attraction. Wednesday night will be the big popular price attraction, the leading feature of which will be a continuation of the serial story of the "Perils of Pauline", a dramatization of a story which has gained extreme popularity. As an evidence of local interest in this drama, it may be stated that C. H. Offerman is the recipient of one of the special awards offered for the solution of the mysteries of the plot presented in this play at the Bell. As usual there will be a change of program each evening.

KNIGHTS OF COLUMBUS TO BUILD CLUB HOME

The directors of the Knights of Columbus Hall Association of San Mateo County, have directed a movement to build a $40,000 hall for San Mateo Council. The lot at the corner of Griffith and Baldwin avenues has been purchased for $11,000. The directors have appointed from the Council a large committee, which is now working on an elaborate program. A big carnival will be held at San Mateo in which the society of the peninsula will participate. On the last day a polo game at Hillsborough will close the festivities, which will be followed by a dance at San Mateo. The corner stone of the new building will be laid on the 9th of September with elaborate ceremonies. Governor Johnson will be present and other notables throughout thee state. The directors of the Hall Association are E. J. Tobin, Hillsborough; Joseph B. Ruegg, San Mateo; Ambrose McSweeney, South San Francisco; J. J. Hahir, Redwood City; and Jas. T. O'Keefe, Menlo Park. The building will be so constructed that the ground floors will be occupied by stores. It will be one of the finest structures of its kind in the county.

The corner lot is 120 feet on Griffith avenue by 153 feet on Baldwin avenue. Up to date swimming tanks will be installed, libraries, lounging rooms, lodge rooms, and an extensive auditorium. The building and other improvements will reach $75,000 when complete. The building is expected to be finished the first of the year. This will mean a big improvement to this section of San Mateo.

Perry in a Predicament.

Manuel Perry was found guilty by a jury in the Superior Court Thursday afternoon on a charge of seduction. The trial began on Wednesday morning before Judge B. B. Sargent. Perry was charged with the crime of seducing Miss Laura Lima, a comely Portuguese girl, under promise of marriage at Burlingame last December. The woman, who is 20 years of age, is in a delicate condition and is soon to become a mother. Several society women of Burlingame were in court during the progress of the trial to assist in the prosecution of the case. The jury recommended that if Perry marries the girl the court suspend judgment. Perry is in a peculiar predicament. It is said he is engaged to a young woman residing at San Luis Obispo. If he breaks off the engagement he will have trouble on his hands and he must marry Miss Lima or go to state's prison. The case was prosecuted by Franklin Swart and Perry was defended by Albert Nelson of San Luis Obispo and E. F. Fitzpatrick of this city. Judge Sargent will sentence the defendant next Monday morning, at which time Perry's attorneys will move for a new trial.

Judge Sargent Endorsed.

We, the undersigned, members of the Bar of San Mateo county, California, having favorably known and observed the personal and judicial character and career of Honorable Bradley V. Sargent, and knowing him both as a man and as a judge of the Superior Court, hereby endorse him for the nomination and also for election as a Judge of the District Court of Appel of California, for the First Appellate District, and we commend him to the citizens and electors of our county and of the district for such nomination and election: Edw. The First Principle
Of the Salaried Man Should Be—
TO SAVE

It is possible that luck may play an important part in the quick making of fortunes, but it has nothing to do with fortunes accumulated from the savings of labor.

A bank account, however, will be of assistance and the young man or woman who will take this method of saving from his or he salary will eventually reach the desired goal.

This bank welcomes the accounts of those people who are working on salary and have a desire to save a part of it, We pay 4%, compounded every six months.

There are a great many Beers brewed throughout our country and put upon the market under the brand of "Bohemian." For the purpose of individualizing our product and also for the reason to link it closer to the name of our plant, we have decided to re-christen our popular "Bohemian" and call it plain "Buffalo Lager."

On April 1st of this year our new Bottled Beer will be put on the market dressed in the New Label. It is our endeavor that the new label shall represent extreme care in brewing and expert inspection at every stage of production from the raw material to the packing for marketing. Only the best materials are used for the manufacture of "Buffalo Lager," which coupled with up-to-date methods in the art of brewing will present to the beer drinking public a Table Beer "par excellence."

We thank you for the many past favors received at your hands and sincerely solicit the continuance of your patronage.

REGULAR COUNCIL MEETING DEVELOPS LITTLE INTEREST

Trustees Fight Shy of Expressions of Political Opinion.

That the trustees do not propose to allow themselves to be made the medium for expression of public opinion in matters of general interest, especially in questions to be decided by the voters at the polls, was made plainly evident at the session of the city council Monday evening. The question came up on request from a representative of the Merchants and Manufacturers Association of San Francisco that the council lend the aid of its influence in a movement for the defeat of the eight hour law which is to be submitted to the voters of the state at the coming general election. While the general expressions of the trustees, all of whom were present at the meeting, seemed to indicate that in their opinion the proposed measure would work an injury to both the employer and the employee, it was the unanimous sentiment that matters of this character were not proper subjects for official expression of opinion and no action was taken.

An invitation to attend the celebration of Progress Day at Gilroy on Saturday, June 27th, was accepted and Trustee Tuchsen, chairman of the committee on public utilities, was named as the official representative of the city. In extending the invitation, the Mayor of Gilroy laid particular srtess upon the splendid showing in the way of street improvement made by that city during the past year.

Several communications from the Bay Counties Association were read by Clerk Plump. In these it was stated that the Supervisors of San Francisco had contributed $8000 to the fund of the association, thus completing the quota alloted to that city and assuring a sufficient fund for the carrying ion of the work laid out by the association. With this was a notice that a general meeting of the association would be held at Berkeley today and a request that the representative of this city be present at the meeting.

Clerk Plump presented the regular monthly reports of the city officers and employees, which were approved and filed.

City Treasurer Towne reported that there was a balance of $758.44 in the general fund and $3741.53 to the credit of the water fund.

The report of Marshal Coleman showed the collections of his office for the month to have been as follows:

Water rates	$1204.60
Water connections	80.00
Liquor licenses	25.00
Sewer connections	48.00
Miscellaneous licenses	55.50
Trees	20.50
Plumbers fees	10.00
Taxes	40.31
Street Impr. District 13	106.30

The report of the plumbing inspector showed that he had made two inspections during the month, an unusually small number.

City Mechanic Werder reported that a large number of old meters had been found to be useless and recommended the installation of new meters where those now in use failed to show a proper registration of water used. Acting on this recommendation, Clerk Plump was authorized to purchase fifty new meters of the usual house service size.

The usual annual applications for renewal of saloon licenses were presented and upon the recommendation of Trustee Sampson, chairman of the police committee, were laid over for action at an adjourned meeting to be held Tuesday evening, June 23d, in order to allow time for investigation.

City Engineer Sears was directed to submit at the next meeting a detailed report showing the grades of the improved portion of the County road with reference to the official grades of the city as indicated by established curbs.

It was decided to issue a call for the laying of a considerable quantity of four-inch water main in the district west of the County road for which street improvement contracts have been recently let. City Marshal Coleman was instructed to rigidly enforce the provisions of the ordinance regulating the disposal of bankrupt stocks, for the conducting of which a rather high license fee is provided.

Trustee Sampson, chairman of the committee on public health, reported that the Board of Health was waging an active campaign against the fly nuisance. The Board of heltah was given authority to employ such assistance as may be necessary.

Street Superintendent Dickey reported that he was completing the work of placing street signs at the intersection of streets and was given authority to purchase such material as may be necessary.

After allowing the usual list of monthly claims against the city an adjournment was taken until next Tuesday evening when the liquor license applications will be disposed of.

LOCAL WOMAN'S CLUB CELEBRATES ANNIVERSARY

The annual banquet of the Redwood City Woman's Club, held in their attractive and cosy club house, in Redwood Highlands, Thursday afternoon, was a splendid social success. The day marked the fifth anniversary of the birth of the organization, and the good work the club had accomplished during those years was recounted by the members with enthusiasm. The interior of the club house was tastefully decorated with choice blooms, and rarest blossoms. The tables were beautifullly adorned with pink sweet peas, ferns, potted plants; while myriads of electric lights added their share in making the setting a veritable fairyland of flowers. About eighty-five guests were present, many of whom were among the most prominent club women of the State. Several out of town guests were among those at the banquet table. Walther's orchestra, of Mountain View, rendered inspiring music during the luncheon. Mrs. Joseph H. Nash acted as toastmaster. Mrs. George C. Ross was the hostess, her grace and ease made everyone feel at home. Mrs. Percy Schuman of Burlingame, past president of the Federation f Womans Clubs of the State delivered a most eloquent and interesting address. Among the other speakers were Mrs. George A. Merrill, Mrs. Earl Baird, Mrs. J. H. Mansfield, Mrs. H. C. Finkler, and Mrs. C. C. Stratton. Mrs. John D. Gish rendered a vocal solo in a charming manner, which evoked much applause from her admiring clubmembers. She was accompanied on the piano by Mrs. Carl Beeger who composed the words and music of the selection. Mrs. M. M. Johnson of Berkeley, a vocoiist of state wide reputation, regaled the assemblage with choice selections. A skit, entitled "A Human Flower Garden," was cleverly presented by Mrs. Shroeder, assisted by a half dozen flower girls. The lily, rose, sun folwer, pansy 4 and poppie were sweet human flowers, and the nosegays and wreaths desplayed by the dancing fairies gave the beautifully decorated hall the appearance of fairyland.

During the luncheon Mrs. H. C. Finkler, the new president, on behalf of the club, presented Mrs George A. Merrill, the retiring president, with a beautiful electric lamp, as a token of affection and esteem in which she is held by her fellow club members. Mrs. Finkler lauded the work of her predecessor, and hoped that her administration would be as successful as that of Mrs. Merrill. Mrs. Merrill in a happy speech, thanked the club members and Mrs. Finkler for the gift and also for the hearty support accorded her during the past year. Mrs. Merrill then presented Mrs. Finkler with the gavel, the insignia of authority. Mrs. Finkler then became president of the club.

The birthday cake, illuminated with five candles in honor of the fifth birthday of the club, donated by Mrs. J. H. Mansfield, was then cut by the retiring president, Mrs. George A. Merrill, and distributed to the guests.

Much of the success of the day was due to the untiring efforts of the committee in charge, Mrs Henry Beeger, Mrs. Earl Baird. Mrs. Thorning, Mrs. Yount, Mrs. Stratton, Mrs. Mansfield, and Mrs. Baker. The memory of this day will long be cherished by the members of the club and by the invited guests, for indeed it was an epoch in the history of the organization, and an event that will be long remembered.

REDWOOD CITY MAY GET DAILY MAIL DELIVERY

Postmaster Price has been working industriously for several months past to have this city given a mail delivery. In his correspondence to the department at Washington he has furnish d much information regarding Redwood City that in his opinion will justify the improved service. One of the important requisites of the government in this respect is the sidewalks. Mr. Price has been able to inform the department that Redwood City has over twenty-seven miles of cement walks in use, four miles in course of construction and three miles of good gravel walks.

The business of the office has also reached a figure that entitles Redwood City to a mail delivery, the total transactions for 1913 being $196,236.06. During the past year there were 5000 money orders issued and 13,396 orders received and paid.

Mr. Price is in receipt of a letter from First Assistant Daniel E. Roper at Washington stating that an inspection will shortly be made of this city to determine the feasibility of establishing the delivery service. He asks that residents see that their houses are numbered properly with good plain numerals so that when the inspector comes he will be convinced of the willingness on the part of the people to do all that is necessary to merit the improvement.

HORACE HAWES GYMNASIUM WILL BE RE-DEDICATED.

The re-dedication of the Horace Hawes Gymnasium will take place on Friday evening, the 26th instant, at 8 o'clock

The gymnasium has lain idle for the past few years but through the generous support given the committee of women in charge, they have been enabled to renovate the building that it may be used not only as a gymnasium but as a social and civic center.

L. P. Behrens, president of the highschool trustees will act as chairman of the evening. Hon. Charles Blaney, State Highway Commissioner will be the orator of the evening. The others who will take part in the program are Sydney Peixotto of the Columbia Park Boys' Club, Miss Elizabeth Ash of the Telegraph Hill Settlement and the Rev. David Crabtree.

The program will be followed by a dance for which Mullen's orchestra has generously donated its services. Admission will be free and all are cordially invited.

FLAG-DAY OBSERVANCE AT THE GRAMMAR SCHOOL

The grammar school children celebrated Flag Day Monday by raising the new flag on the school building. As the flag was slowly raised to its place on the pole, the entire school, assembled on the lawn, sang the "Star Spangled Banner." Then the children gave the "Salute to the Flag."

As this is the 100th anniversary of the composing of the "Star Spangled Banner," the picture of Francis Scott Key, presented to the school by Mrs. Heiner, was disylayed. County Superintendent Roy W. Cloud lent his presence and apprival of the ceremony.
